Accessing Previous Application or Updating Personal Contact Information

Please log into the online application system using the link listed below.

https://recruit.washoecounty.us/webdynpro/dispatcher/local/ApplicantPortal/ApplicantPortal

Washoe County employees: your log in information is the same as your network log in.

For non-county applicants: your login information is the user id and password you created when you applied online.

Once you log in, you may ONLY update your contact information (address, city, state, zip code, phone number and email address).

Please note: You will be able to view the list of positions you have previously applied for and your online applications, however, you may not make any changes to the online application if the position you applied for is no longer open online.
