REBRANDING!

CATALYST Rx IS NOW CATAMARAN

Two major pharmacy benefit managers, *Catalyst Rx* and *informedRx* have merged to create one new company: Catamaran!

You will begin to notice the logo change in phone messaging, on the website, home delivery labels, letters, and other materials you receive from Catamaran.

Nothing about the service you receive will change—you can use the same phone number

and ID card, and will still receive the same great service. Over time, you will see enhancements made to the services you receive today such as a new website with increased functionality. A new ID card is not necessary. Your card still works at the pharmacy, and for member services you can continue to use the same phone number and website URL. We will update you on any changes through messages and links on the Human Resources website.

MAIL ORDER PARTICIPANTS

If you receive medications through Walgreen's Mail Service, you have already received a letter from Catamaran explaining their new mail service program (which will now be administered through Catamaran Home Delivery), and outlining the steps you need to take to update your information. If you haven't received this letter or have additional questions, please call [Catamaran Home Delivery at 800-763-0044](tel:800-763-0044).

COMING ATTRACTIONS

KEEP AN EYE OUT FOR ...

More information regarding the possible addition of another Medicare Advantage Plan to the Retiree Health Benefit Program. The Senior Care Plus HMO introduced two years ago has been incredibly popular, but is limited to those retirees living in the local area. The Benefits Team is researching the possibility of adding a PPO Medicare Advantage Plan for those retirees who prefer the PPO concept, or who reside permanently out of the area. Stay tuned!

Catamaran is the 4th largest Pharmacy Benefit Manager in the country and services 25 million lives.

NEW DENTAL NETWORK FOR EMPLOYEES AND RETIREES

Our existing dental network, Nevada Health Partners (NHP) transitioned to Guardian Life Insurance effective October 1, 2012 and extends our network of dentists to cover the State of Nevada.

In July 2013, Guardian will have a nationwide network that will benefit our retirees and dependents living out of Nevada.

All but one of the dentists that were on the previous network have agreed to join the new network through Guardian.

Your identification card will remain the same this fiscal year; new cards will be sent out by CDS next July.

To see if your dentist is on the new network, or to find a new dentist, go to:

www.guardianlife.com:

- select the "Find a Provider" link on the right
- select the "Find a Dentist"
- select "PPO" as the dental; select the "Location & Dentist's" name radial button; add your data
- select "DentalGuard Preferred Select" as the dental network

The new link is on the Human Resources website, but if you're having trouble navigating the Guardian website, feel free to call their customer service at 888-600-9200.

RETIREMENT CHUCKLES

A retired couple had dinner with friends, and after eating, the wives left the table and went to the kitchen. The two men were talking and one said, "We've been going to a new restaurant and it's really great. I'd recommend it very highly." The other man asked, "What's the name of the place?" The first man thought awhile and finally said, "What are those flowers you send a woman you love? The ones with red petals and thorns?" "You must mean roses," he replied. "That's it," said the man. He yelled to his wife, "Rose, what's the name of the restaurant we like?"

HAPPY HOLIDAYS!
